

The Houston Obedience Training Dog Club
is pleased to host
a full two-day seminar for the serious dog fancier.

“Tricks of the Trade”

presented by Pat Hastings

Date: September 8 & 9, 2001
Cost: \$100.00 for the 2-day Seminar

Location: Dogwood Dog Training and Sports Center
8425 West Road, Houston, Texas 77064

E.R. "Bob" and Pat Hastings have a combined 88 years of experience in the sport of dogs, from having bred 28 different breeds to winning over 250 Best In Shows from a cross-section of every group. This is your chance to gain from their experiences. Pat will share all with you.

From the whelping box to the group ring . . .

At home and on the road . . .

“Tricks of the Trade” has something for everyone who is involved in the sport of dogs for the long term. Although the seminar is not geared toward the novice dog fancier, anyone is welcome to attend.

Here's what to expect:

Day 1: There is no better place to start than by going back to the basics, with a lot of common sense thrown in and remembering that careful attention to the total process breeds success. Pat will demonstrate Proper Puppy Evaluation, Puppy Raising, Training, Conditioning, Grooming and Advertising

Day 2: There is no better way to learn than by hands on experience. Ever asking the question: why does my dog do that? Pat will discuss: Structure, Movement, Puppy Training, Handling, More on Conditioning and More on Grooming

Please note: You must have been "in dogs" a minimum of 5 years before you are eligible to bring a dog for the second day. Also, this is a "two day" seminar. Absolutely no-one is allowed to attend the second day if they have not attended the first day .
